AI group metting

Focus area, Ravensfield house

September 28, 2007

1. Updates on research activities in the group during the summer (e.g. conferences attended).

2. New papers to add to the AI webpage?

3. Plans for the new academic year:

   - planned or ongoing grant applications
   - forthcoming conferences (see overleaf)
   - proposals for the next meetings (papers to read, speakers to invite, talks and topics for seminars).
